### Criminal SuperSearch

This search conducts an instant multi-state search of criminal records. Data includes over 285 million records nationwide. Each Criminal SuperSearch report contains a wealth of information, including felony and misdemeanor records, sex-offender records, inmate records and arrest information.

### Sex Offender Registry

This product encompasses Sex Offender Registries from all 50 states including the District of Columbia.

### SSN Identity Verification/Address History

Processes SSN Verification and Address History based on a SSN trace that is pulled from a database that contains over 23 billion files of addresses from multiple sources.

### Terrorist Database

The Terrorist Search checks to see if an individual is on the Government's watch list of potential terrorists and/or drug traffickers.

### Single County Criminal Search\*

A search will be conducted at the county court level for felony and misdemeanors in the county of current residence. IntelliSearch will identify the county of residence where the applicant/volunteer currently lives and is not covered in our Criminal SuperSearch product.

\*In some instances there may be mandatory court costs. These will be treated as a pass-through fee along to our clients.

**IntelliCorp also offers other products and services available for an additional cost – some of which include:**

- Motor Vehicle Reports
- Credit Reports
- Employment Verification
- Education Verification
- Drug Testing
- Professional Licenses

**Note:** All activation fees and monthly fees will be waved upon registration.
