

Saving Money on Your Group Health Insurance Plan: The Financial and Legal Impact of Going Self-Insured

A Seminar for All Healthcare Decision-Makers

Learn if self-insurance is right for your company. Come hear an experienced panel use case studies and other real life examples to help answer these questions:

- What is self-insurance?
- Is it a viable option for the small to mid-sized employer?
- What are consumer driven healthcare plans? Are they a better alternative?
- What are the legal requirements?
- How do you design your plan?
- What are the risks and how do you manage them?
- How much can you save?
- What if you change your mind - can you go back?
