USE SEPARATE SHEET OF PAPER IF MORE ROOM NEEDED:

Insured's Acknowledgement

Please read the information below carefully as it explains the limited scope of the coverage and the potential coverage gaps inherent in the claims-made forms. Then sign and date in the indicated space below and return to your Insurance Agent.

This policy is written on a claims-made basis. This policy provides no coverage for claims arising out of occurrences, incidents, or alleged wrongful acts, which took place prior to the retroactive date stated in the policy.

This policy covers only claims actually made against you while the policy remains in effect. All coverage under the policy ceases upon termination of the policy, except for the extended reporting period coverage, automatically in-force for one year after the policy expiration date. There is no additional charge made for the one-year Extended Reporting Period coverage.

Except for the ERP, there is no coverage for claims reported after the termination of coverage.

The length of the ERP is for one year from the expiration date of the policy. Upon expiration of ERP coverage potential coverage gap may exist.

During the first several years of the claims-made relationship, claims-made rates are comparatively lower than occurrences rates and that substantial annual premium increases, independent of overall rate level increases can be expected, until claims-made relationship reaches maturity.

"ANY PERSON WHO KNOWINGLY AND WITH INTENT TO DEFRAUD ANY INSURANCE COMPANY OR OTHER PERSON FILES AN APPLICATION FOR INSURANCE OR STATEMENT OF CLAIM CONTAINING ANY MATERIALLY FALSE INFORMATION, OR CONCEALS FOR THE PURPOSE OF MISLEADING, INFORMATION CONCERNING ANY FACT MATERIAL THERETO, COMMITS A FRAUDULENT INSURANCE ACT, WHICH IS A CRIME, AND SHALL ALSO BE SUBJECT TO A CIVIL PENTALTY NOT TO EXCEED FIVE THOUSANDE DOLLARS AND THE STATED VALUE OF THE CLAIM FOR EACH SUCH VIOLATION"

BY SIGNING BELOW, THE APPLICANT FOR CLAIMS-MADE POLLUTION LIABILITY COVERAGE ACKNOWLEDGES RECEIPT OF THE ABOVE INFORMATION FROM US.
