Bollinger Insurance – SELECTED AS ONE OF THE “BEST PLACES TO WORK IN NEW JERSEY”

SHORT HILLS, NJ / MAY 13, 2005 -- Bollinger, Inc. with New Jersey offices in Short Hills, Princeton, Mt. Laurel and Woodbury Heights, has been selected as one of the Best Places to Work in New Jersey. Each participating company completed a comprehensive survey that polled their employees' attitudes and rated their personnel policies and practices. Best Companies Group managed the evaluation process and **NJBIZ** magazine was the sponsor of the first annual awards program.

Part of the survey process included a section on each company's unique employee benefits. Bollinger offers its employees many benefits including a comprehensive healthcare package, healthcare concierge service, childcare subsidy, legal plan, FSA, matching gift program and a 401k plan with employer match. In addition, over 90% of Bollinger's employees are owners of the company through its Employee Stock Ownership Plan (ESOP). The ESOP is employer funded and annual contributions are made based on the company's financial performance. In place of traditional vacation/sick time, Bollinger employees receive Paid Time Off (PTO). Employees are eligible for up to 32 PTO days, depending on length of service. The company has Friday early closings from Memorial Day through Labor Day. Bollinger recognizes outstanding employees with the Employee of the Month award and Years of Service awards are handed out annually at the Employee Anniversary Luncheon.

The firm listed as its mission statement “to maintain our strong values of integrity, respect and honesty in dealing with our customers, our employees and our insurance carrier partners.”

Bollinger, with roots dating back to 1876, is the 10th largest privately held insurance agency in the country. Bollinger provides business and personal insurance to a wide range of customers and is well known for its insurance programs for schools and colleges, golf and country clubs, and amateur sports organizations.
